

Write a Shopping List Together

Activity:

Write a shopping list together or ask your child to draw pictures of what you need to buy when you go shopping.

Learning:

Developing your child's language skills – Building literacy skills - Learning to make / write lists – Creating marks with meaning

Write a Postcard to a Friend or Relative

Activity:

Draw a picture of where you live, talk about what your house looks like. Explore the different shapes e.g. square windows, rectangular bricks. Talk about the different colours of the house. Help your child to write a postcard to a friend or a relative. Tell them about what you have been doing and think of some questions to ask them.

Learning:

Developing your child's language skills – Building literacy skills - Learning to draw / write letters – Creating marks with meaning – Showing an interest in the lives of family and people that are important to them
