PARTNERSIHPS

In partnership with parents we effectively identify the needs of individual children

SELF-WORTH

Children develop self-

esteem, respect for each other, confidence,

resilience and self-

worth

SUCCESS

We celebrate success

and support children

in discovering their

individual strengths

RESPECT

Fostering an ethos of respect, kindness and encouragement

EVALUATING

Evaluating all that we do to continue to improve practice and outcomes for children

RESPECT

Everyone feels valued, listened to and important as an individual

Happy to be Here

CURIOSITY

Children develop their enquiring minds, with supportive adults who provide opportunities to develop questioning skills and enable active, confident learners

DIVERSITY

Diversity is celebrated and used as a way of finding out more about he world around us

STARTING FROM THE CHILD

Teaching is child centered, built upon what children already know, is stimulating, exciting, challenging and enables everyone to achieve their best,

INDEPENDENCE

Providing an environment where children are free to self select learning resources and direct their own play

SHARING

Sharing agreed guidelines and policies to all that use the school

PLAY

Understanding how the characteristics of effective learning help us to tune into children's learning
